

Tree #3: The Impossidoku

🔑 Anonymous Employee

🧩 1 A Foreword

Nicely done. For this next trial, the pieces gleam with certainty, yet no truth binds them all. Do not waste time chasing phantoms, and only claim what is necessary.

🧩 2 The Impossidoku

You've never seen a sudoku like this have you?

🧩 3 The Key For Tree #4

Given the solved sudoku above, the key to the next room is the sum of the cells in the middle row plus the sum of the cells in the middle column.
